3. Sample Pricing Examples

- A wireless mouse listed at $30 with a 10% seasonal sale is $27.00.

- A laptop at $800 plus a $50 case and a $40 headset bundle qualifies for 10% off the $890 total, a saving of $89, bringing the total to $801.00.
- Five USB-C chargers at $20 each qualify for the 5% bulk tier: $100 minus $5 equals $95.00.

4. Stacking Rules

- Only **one promo code** may be used per order.
- Bundle and bulk discounts can be combined with seasonal sale prices, up to a combined maximum of **25% off**.
- Student, first order, and newsletter codes cannot be combined with each other.
- Referral credits can be applied on top of any discount, up to 50% of the order subtotal.

5. Exclusions

Discounts do not apply to:

- Gift cards and digital licenses or software
- Items marked "Final Sale" or "Price Locked"
- Pre-orders and newly launched products during their first 30 days
- Shipping fees and taxes

6. Minimum Order and Limits

- Some codes require a minimum order of **$50** before discounts.
- Each customer may use a first order code **once** only.
- Referral credits expire **90 days** after they are issued.
- Promo codes have an expiry date shown at the time of issue and cannot be extended.

7. Student Verification

To claim the student discount, send a copy of your valid student ID or school email to **support@talhabilaldev.com**. We will issue a personal code within 2 business days, valid for 12 months.

8. Returns on Discounted Items

Items purchased with a discount follow our standard Return Policy. Refunds are issued for the **amount actually paid**, not the original list price. If a returned item was part of a bundle, the bundle discount may be recalculated on the remaining items.

9. Price Adjustments

If an item you purchased drops in price within **7 days** of your order, contact us with your order number and we will refund the difference. This does not apply to flash sales, clearance items, or limited-time promo events.

10. Misuse and Changes

We reserve the right to cancel orders or revoke codes in cases of abuse, resale of codes, or pricing errors. This policy may be updated at any time, and changes apply to orders placed after the effective date above.
