talhabilaldev Return Policy

Effective date: October 06, 2026

Thank you for shopping at talhabilaldev. We want you to be happy with every tech purchase. If something isn't right, this policy explains how returns, refunds, and exchanges work.

1. Return Window

You may return most items within **14 days** of the delivery date. To be eligible, items must be unused or, for opened electronics, in the same condition you received them, with all original packaging, accessories, manuals, and cables.

2. Eligible Items

- Unopened items in original sealed packaging: eligible for a full refund.
- Opened items in like-new condition with all accessories: eligible for a refund minus a restocking fee of up to 10%.
- Accessories (cases, chargers, cables, adapters): eligible if unused and in original packaging.

3. Non-Returnable Items

The following cannot be returned for hygiene, security, or licensing reasons:

- Opened software, digital licenses, gift cards, and downloadable products
- Earbuds and headphones with broken hygiene seals
- Items with missing parts, physical damage caused after delivery, or signs of heavy use
- Custom-built or special-order products
- Clearance items marked "Final Sale"

4. Defective or Damaged Items

If your item arrives defective or damaged, contact us within **7 days** of delivery with your order number and photos or a short video of the issue. We will offer a free replacement or a full refund, including original shipping costs, at your choice.

All products are also covered by the manufacturer's warranty. For issues after the return window, we will help you start a warranty claim.

5. How to Start a Return

1. Email us at **support@talhabilaldev.com** with your order number and reason for return.
2. Wait for our approval and your Return Authorization (RA) number.
3. Pack the item securely in its original packaging and include the RA number.
4. Ship it to the address we provide. Please use a tracked service, as we cannot be responsible for packages lost in transit.

6. Before You Send Your Device

For phones, laptops, tablets, and other devices that store data, please back up your data, sign out of all accounts (including Find My Device or similar locks), and perform a factory reset. We cannot process returns on devices with active account locks.

7. Refunds

Once we receive and inspect your return, we will notify you of the result. Approved refunds are issued to your original payment method within **5 to 10 business days**. Original shipping fees are non-refundable unless the return is due to our error or a defective item.

8. Return Shipping Costs

- Change of mind: the customer pays return shipping.
- Defective, damaged, or incorrect item: talhabilaldev pays return shipping.

9. Exchanges

If you would like a different item or model, please return the original item and place a new order. This ensures the fastest processing and availability.
